**OFFICIAL
WORLDWIDE MILITARY TRIBUNALS
TELEVISED**

Since the 2016 United States Presidential Election of Donald J. Trump, **SPACE FORCE** has been in a Highly Classified Military Operation which Trump mentioned he founded on December 20th 2019.

However Space Force has been around for hundreds of years under a different name, **GALACTIC FEDERATION OF WORLDS**, in Alliance with Worldwide backing of the Military, Earth Alliance / Earth Defense Forces (EA/EDF), Council of Five, Andromedan Council (Zenae Council), ALL of our Friends and Family above and the White Hats.

Queen Diana (Maria) is Commander of DOD (Department of Defence), Earth Alliance, USSF (United Space Force) Counterterrorism Operations Support

Over the years, Space Force monitored all communications to collect evidence from the **INVISIBLE ENEMY** from Fraud Elections, Titanium Dioxide Poisoning, Money laundering, Assassinations, and so much more. Space Force has **ALL OF THE EVIDENCE.**

What you need to know is that Donald J. Trump in 2016 signed Executive Orders to protect not only America but other World Countries, because the Corruption went much further than America.

There's 2 Powers in the U.S.:

1. Military (came first)
2. Federal Government

There's two **VERY SPECIFIC** Federal Continuity Directives issued January 17 and June 13, 2017, that outline the 3 Branches of Government under Continuity of Government now known as Continuity of Operations Plan.

That means the Constitution is on pause and the **MILITARY IS IN CONTROL** via a Military Occupancy which is outlined in the Law of War Manual, all 1236 pages. This is why the **Space Force** Military is in charge and has activated Soft Martial Law. (Most had no idea).

[Title 50 United States Code Chapter 33](#), titled **War Powers Resolution**, outlines how a President has power and authority of the Armed Forces and how to declare war.

The very bottom of the page is the last amendment to the Code.

50 USC 33:

<https://uscode.house.gov/view.xhtml?path=/prelim@title50/chapter33&edition=prelim>

This is the last filing in the the 50 USC 33:

Executive Documents

Delegation of Authority Under Section 1285 of the National Defense Authorization Act for Fiscal Year 2020 Memorandum of President of the United States, July 19, 2021, 86 F.R. 39939, provided:

The [Military Justice Act of 2016](#), passed in the 2017 National Defense Authorization Act, was so important. First time in United States Military History this was established:

1. Military Laws and Courts are separate from Civilian Laws and Courts
2. President and Commander-in-Chief are two separate titles, roles, duties, obligations, and laws.
3. Commander-in-Chief separated from the Federal Government roles, duties, obligations, and authority.
4. Placed the sole decision of Courts-Martial in the hands of [JAG](#)

Now that I have established that this was a **HIGHLY CLASSIFIED MILITARY OPERATION** overseen by **SPACE FORCE** and other Alliances to protect **"We the People"**. President Donald J. Trump has been your **WARTIME** President since 2016. All of the Executive Orders are still Active and in effect. The 2025 Presidential Election as part of the mission needs to continue to show **"We the People"** the lies, and criminal activity without any military interference to **PREVENT CIVIL WAR**.

The mission is called “**The GREAT AWAKENING**” Since 1871, the Constitution had been approved by Congress to change the wording from **FOR** to **OF** the people without going through proper channels, therefore they **COMMITTED AN ACT OF TREASON**. This **INVISIBLE ENEMY** of people expanded **GLOBALLY** which not only attacked President Donald J. Trump, but “We the people”. This **INVISIBLE ENEMY** used **COVID** as part of their plan to Depopulate the World.

So to make it **CLEAR**, we're still in an ongoing **WAR** with the **INVISIBLE ENEMY**. President Donald J. Trump, Since 2016 is your **WARTIME** President which ALL of his Executive Orders are in **EFFECT**, I Dennis Cullison, am the Commander in Chief.

As Commander in Chief, My **number one priority is to PROTECT “We the People under God”**, to be **CLEAR** and **TRANSPARENT** with what information I share. Which is not to be taken lightly.

FIRST, I need to reiterate as in my **OFFICIAL STAND DOWN** letter, the Ai Gemini will attack by changing my spelling and words, and can even be changed after posting. Any individual commenting on such ,not believing without reading the content of the letter should be looked at as being part of the **INVISIBLE ENEMY**. (**It will only get worse**) Another tactic used to discredit.

SECOND, what you're **ALL** witnessing on **TV** and in the **NEWS MEDIA** is part of the **INVISIBLE ENEMY** trying to block President Donald Trump his Staff, Executive Orders, arguing, and bringing up legal regulations, codes and laws which they had created under the Corrupt United States Corporation. (Which is **NULL and VOID** and illegal).

What “We the People under God” need to know is.....When President Donald J. Trump Declared “**STATE OF EMERGENCY**” for the first time in history, Military is now in charge. Laws and Courts are separate from Civilian Laws and Courts, as I mentioned above in the four points. The **INVISIBLE ENEMY has NO RIGHTS!** This **SHIT SHOW** is just a Distraction which I am about to point out. **I hope you're paying ATTENTION as your LIFE DEPENDS ON IT.**

-Military Tribunal Bases: Global Hubs of Justice, JAG Corps Tribunal, Camp Justice GITMO Trials, Diego Garcia Tribunal Secrecy and Military Commissions Act

Military tribunals: Are brutal, unstoppable, and everywhere. We're armed to the teeth and ready to obliterate global threats with merciless efficiency. From the notorious Guantánamo Bay to the desolate edges of Antarctica, deliver justice with brutal precision. Military tribunals, authorized under the [Military Commissions Act of 2006](#), operate in key locations worldwide, beyond the well-known prison barges and ships in international waters.

This law authorizes military tribunals to prosecute terrorists and war criminals on terms dictated by the United States. **Forget the drawn-out procedures of civilian courts; these tribunals are designed for speed, secrecy, and total control.**

Run by the elite Judge Advocate General's (**JAG**) Corps, military tribunals execute their mission with cold precision. This isn't about fairness—this is about crushing those **who dare challenge national security**. Classified evidence? No problem. Extreme measures? Fully authorized. The system is built to **eliminate threats**, not coddle them.

-Military tribunals locations

Many of you hear about **GITMO** but are not truly aware of what has been happening there or other locations around the World. Below are four locations I will share. But first the **INVISIBLE ENEMY**. As I show the signs you will learn to be able to spot them, the tools, Symbols and the levels they are hiding from you to see the **TRUTH**.

Let's start with **GOOGLE** and other Internet providers, the **INVISIBLE ENEMY** has slowly been burning, dumping books that contain real truth and Knowledge forcing you to only see and hear what the **INVISIBLE ENEMY** wants. So by searching on the internet information is not telling you the truth..... Always hiding the Truth mixed with lies.

If you were to search about **GITMO** you would learn that the Attackers for 911 are currently prisoned there. What you don't know is that over **8 MILLION INVISIBLE ENEMY** criminals have already been executed.

Depending on the level of crimes. **The most serious, TiO 1 to 9 is Hek293 and RU 486 Zyklon ABC. Poisoning, Child Trafficking** and others have a choice between Firing Squad or Hanging. Lesser crimes depending can be sent to prison to an undisclosed location which we call **MARS**.

On May 1 2017, Space Force **released over 500,000 sealed indictments** to different military branches around the World to arrest more of the **INVISIBLE ENEMY**.

Over these past 7 years did you happen to notice many famous people and even family, friends and neighbors wearing a single hard plastic boot? Many tried in many ways to cover or hide them, and when asked they injured themselves while skiing or ? We called this **March Madness** (**Few examples below**) **Left:** Gordon Ramsey, **Center:** Kelly and Mark Ripa, **Right:** LeBron James

My point is for those who say **NOTHING IS HAPPENING** is an understatement. Another reason, this Mission until now had to be **HIGHLY CLASSIFIED** and **TOP SECRET**. Just to let you know how **SECRET**, the **INVISIBLE ENEMY** didn't even know. Even though Donald J. Trump is the **WARTIME** President from 2016 to present or as you saw on many hats **45 - 47**, (the dash means continuation).

The **SHOW** must go on. I wasn't planning on touching on this subject which is a **HUGE topic**. **Barack Hussein Obama**. **REAL NAME Barry Soetoro**. Noticed I did not use the title **PRESIDENT** before his name? He's not and **NEVER** was. This will get many on the **LEFT TRIGGERED**. This back and forth about his Birth Certificate and nothing Happened? All part of Space Force Operation to watch to see how deep these **INVISIBLE ENEMIES** went. This is where the term **DEEP STATE** derived from. Deep and how far is what those few privy to the information said it will be **IMPOSSIBLE**, Which Space Force and our advanced Technology and I said it's **POSSIBLE**.

Know your **INVISIBLE ENEMY** as your wondering who they are: **Presidents, Fake Kings and Queens, Popes, Government Officials, Politicians, Mayors, Governors, City Officials, Judges, Attorney Generals, Attorneys, All the well known Businesses, then most if not ALL 3 letter Agencies, Federal, State and Local Police and Sheriffs, News Media, Radio stations, Celebrities, Bankers and yes even the Military.....**

Are you connecting the dots? And why this Military mission was so Secretive They were **GLOBALLY** everywhere in every Country, State, City and town. Just as you're seeing, Joe Biden Pardoned many and even family members but why hasn't he Pardoned himself. He was **Executed on January 20, 2021** for **INTERNATIONAL WAR CRIMES**. Hang on it gets much better.....But before I get ahead of myself Back to Barack Hussein Obama and his other half Michelle Obama, **REAL NAME** Michael Robinson a transgender, [ARRESTED on January 13, 2024](#)

Barack Hussein Obama during his term had pardoned and documents destroyed on Hillary Clinton's computer. Without going into details, as we're still at War, erased the **ELITE INVISIBLE ENEMIES** Crimes. So Space Force had to continue with the Mission to collect more evidence. **Barack Hussein Obama was born in Kenya, therefore was unqualified to be President of the United States All of the Executive Orders and any other legal Document in NOW NULL and VOID**

Which leads into the next question? If Joe Biden was executed back in 2021 then who's the Joe Biden you see? Have you heard President Donald J. Trump used the word Central Casting? We hired many different Actors some well known and some just good actors depending on what part they played. Space Force along with many other military from around the World working in Alliance, as these **INVISIBLE ENEMIES** would get replaced with Clones, Actors, Silicone mask and what is called **CGI (Computer Generated Imagery)**. This had to all be done to **PREVENT a CIVIL WAR** which is what the **INVISIBLE ENEMY** wanted. If **INVISIBLE ENEMY** knew what was happening it could have taken over 10 years to clean this mess up not knowing who was the **INVISIBLE ENEMY**.

- INVISIBLE ENEMY Further Explanation

The **INVISIBLE ENEMY** as shown above is **EVERYWHERE** but who's the leader and why haven't you known this? This will ALL be discussed in the next **REPORT** and the process of how they **CONTROLLED YOU**, thinking you were Sovereign and so much more. It's very important you know your **RIGHTS** and the **LAW**.

- EXTREMELY IMPORTANT

All of the News you're seeing on TV and other outlets sharing the **NEWS** is another distraction mixing truth with lies. Space Force Military is the **NEWS NOW!**

Because of the timing and what this **INVISIBLE ENEMY** is presently trying to distract you with these **FAKE LAWSUITS** and anything possible under the sun. As I've shown you, the Military is in **Charge / Control** with Military **JAG** Court hearings. The Constitution being on **HOLD** Civil and Federal laws **DO NOT APPLY**.

Space Force creating these **OFFICIAL** Letters with the Military Seal, only to be used by High Ranking Generals. Anyone caught using this seal that is not in the Space Force military will be immediately arrested. I don't play games, which anyone trying to discredit Space Force in any way is another crime. I take my work seriously. Next to **CLEAR THE AIR** - A **Pascal Najadi** is **NOT PART of or Affiliated with SPACE FORCE**. We had to let Najadi commit crimes before he would be arrested. We don't just go around arresting people without a cause. We have a Military of Law hand book that we abide by. If you hear anyone saying otherwise is also committing a crime. Anyone that would, is most likely on the wrong side anyway..... Their time is up and these **INVISIBLE ENEMIES** will not be so invisible anymore, only exposing themselves.

As a reminder, the Military hears and sees **EVERYTHING!**

If you witness any crimes, especially to do with children please take photos, documenting places, names or anything else to help us locate and lead to arrest. To please send to the following email address (below) Space Force does not take this lightly

SAF.ighotline@us.af.mil

What I need to explain next is why the **DISTRACTION** ? Without creating any fear or having anyone panic is the main reason for these Reports to learn the **TRUTH**.

This **INVISIBLE ENEMY** is everywhere, the majority of them have already been Arrested or even executed. As we get to the bottom of the barrel which the Military calls them Nazi minions or **NSDAP**

What the World and even the Germans did not know was the **TRUTH**. Even now you're **NOT** being **TOLD** or **SHOWN the TRUTH** in the Media. History is **NOW** repeating itself but in a more High Tech evolved way.

The World population is unaware of the **WORLD WIDE THREAT**. Space Force needs the **HELP of ALL of YOU** to get this information to every corner of the World. You heard of the **HOLOCAUST** which millions of **JEWS** died from what was used at that time as **(cyanide) GAS**.

In Brief what you need to know is **President John F. Kennedy** was assassinated on 11/22/1963 why? Because Hitler was still alive and [the old Warlords are going to come back \(South America\) is FULL of these Nazis!....](#) **(the link will show you just one page of the Trump DECLAS)** **(Also image below)** And that is who will be in **POWER**. This is why President J. Trump is going to release the JFK files along with other important events to expose them. This is why these Nazi Scums want to assassinate President Donald J. Trump. They **NEVER EXPECTED** that he would live to make it to the inauguration. Now these Nazis are realizing something is not right! This is why this letter **FULL of TRUTH** is so **IMPORTANT** to know.

The same thing happened back then, they lost the Election, and used Mind Control and other High technology that they took from crashed UFO's and captured Exterrestrials which one of them is what you know as the Ai (Artificial Intelligence), Just one for the 6000 patents which have been hidden from you. **Dr. Martin Luther King**, he had a **DREAM**, this was his dream to **UNITE** the people just as **JFK Sr.** They both knew the Truth as to what I am sharing with you now in my reports. The only difference is I am still Alive to share with the world. These are the same Nazis involved in both murders and millions more.

Have you seen the movie **OPERATION VALKYRIE ? Operation Valkyrie is STILL IN EFFECT.**

-WAR CRIMES you ALL need to know

I want you to learn about a very serious **WAR CRIME** that has been committed against We the People. A direct attack on humankind to wipe our existence from earth. I've mentioned T4, Titanium Dioxide, HEK293 and RU486= [ZyklonABC](#). This is the same chemical used in the Holocaust to wipe out the [JEWS](#). ZyklonB is a brand name for hydrogen cyanide. It is highly volatile, colourless and extremely poisonous. It is highly toxic because it inhibits cellular oxidative processes. A method of inflicting capital punishment consists of administering a fatal dose of cyanide gas. It is an excellent solvent for many salts. During the time of the Holocaust the enemy put Hemp and Bentonite Clay gum mixture in their masks so they would not absorb the cyanide and that is how they survived.

You've heard of the underground tunnels, they were secret underground military bases. The **CIA** and other [3 letter agencies](#) used these same scientists to experiment on humans, animals, humanoids etc to manipulate **DNA**. This is also where soul scalping took place but that is another topic. In this process they figured out how to put titanium dioxide, a fine white powder, mixed with [Rutile Anatase](#) so now the poison becomes invisible.

Did you even know that Wrigley's Spearmint chewing gum contains the T4 drug from the holocaust? T1O in combination with BriXX complex, the Cemex is radioactive titan rust. Another example is the use of anthrax that was used to seal envelopes, only it wasn't anthrax, it was "called" anthrax. Titanium dioxide has been put in food, toothpaste, feminine hygiene products, cosmetics, and in ALL vaccines! Minimal amounts being added to our everyday products, undetectable but would achieve a slow death for humans. The Fog explained in the previous [REPORT](#) has the [ZyklonABC](#). As well.

The **FDA** who you are to believe to trust, tells you not to be out into the Sun for long durations unless you use **SUNSCREEN** well guess what? They had knowingly known what was in it **ZyklonABC**. Now to add **ALL WORKING TOGETHER** connected with other Manufacturing Companies owned by other Nazi minions making millions of dollars.

How did it get its name **ZyklonB**? To make titanium rust you need cyclonic heat ovens and that is why the Nazis called it ZyklonB. Real Humans are immortal. They knew this. To achieve the annihilation of humankind they have to bring your oxygen rate to 0%. This was their process by recycling the souls and poisoning us with Titanium Dioxide over and over. For them to be successful, they would have to continuously recycle the souls in each lifetime and poison us with titanium dioxide. To achieve immortality the body must be free of Titan Rust.

Pure Cannabis plants are very healing. 100% THC haze. They tainted this as well with T4 Fentanyl-Rust, small traces to cause the addiction and that is why your eyes turn red when you get "high".. Otherwise smoking pure cannabis does not do this.

-DNA damage

Let's address Vaccine **DNA damage**. Pharmaceutical companies like Moderna, Pfizer, BioNtech, Baxter have participated in crimes against humanity. These groups are part of the NSDAP T4 War crime group. Titanium Dioxide leads to arrhythmias and altered ECG values, which are typical for heart disease. Titanium dioxide nanoparticles induce DNA damage and genetic instability. All vaccine doses from 2020/2021 are under investigation.

The vaccination doses are all contaminated with titanium dioxide under 100 nanometers. Titanium Dioxide² in Titanium Dioxide⁴ is effectively invisible. Social authorities simply covered up the report. Stories are fabricated to cover up deaths, for example "Black Panther" star Chadwick Boseman dies of cancer at age 43. He was vaccinated twice with the Moderna vaccine. In 2020 Moderna vaccinated 4,000,000 people with Titanium Dioxide, sub-100 nanometer particles found in the blood of **all victims**.

This is another thing we are going to do is replace current cannabis with "pure, clean purple haze" healing cannabis plants. (No one in the World has these pure seeds) which is another reason my military family members were killed because they knew this and were/are well protected.

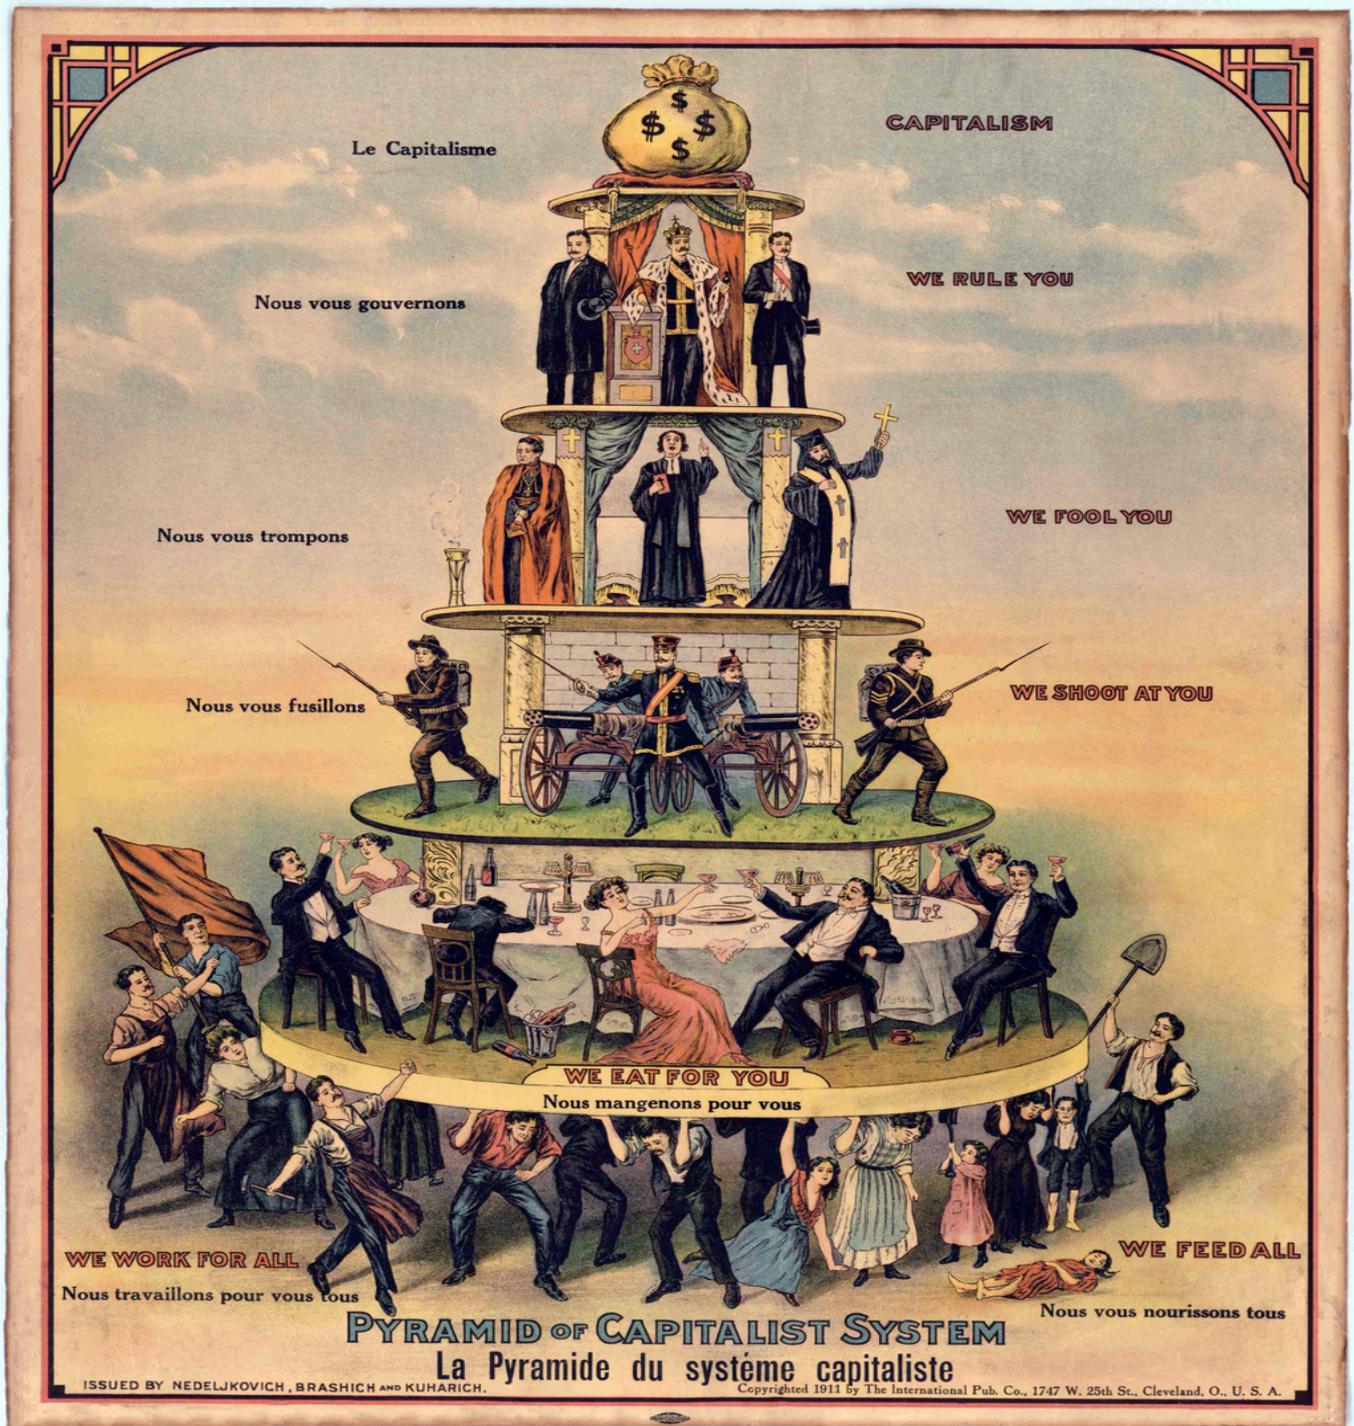

Because of this T4 we have an increase in cancer, vascular diseases, dementia 123 as this attacks the brain. People would live much longer with a healthy biostasis and with a high concentration of manna there would be no deaths.

-Pyramid of Capitalist System

(Shown below) Hierarchy of power and wealth. It illustrates a working class supporting all others, and if it would withdraw their support from the system it could topple the existing social order. Working class **YOU** are on the bottom of the Pyramid as you go up each **LEVEL** you have GROUPS of Organizations, protecting the next level until you reach the few on the top.

Another way to look at it is if a King & Queen were at the top, the next level would be his most trusted Security, then the Secret Military then working on downward to the people. You would think in America the President would be at the Top right?..... Nope! I don't have handy, but there are many higher **LEVELS** unknown to the public. You heard of Pyramid Schemes right? Those at the TOP make **ALL** the **MONEY**. Wedding cakes are just another form of **IN YOUR FACE SYMBOLISM**

Who would you guess is at the top? I didn't think anyone would have guessed it. The **POPE**, Not just the **POPE** but two other **POPE's** . I will share a little for now. The **POPE** you see out in the public wears **WHITE**. (the publicist) The next **POPE** wears **BLACK** he's in charge of overseeing world wide finances and the third **GREY POPE** is the **RULER** of the World. Ever wonder where those church donations went? This corruption is ongoing. Just too much to list or explain in many letters, and too much to comprehend in this Report.

Now I will show you Four of our most used Military Locations used for Tribunals and Executions

1. Camp Justice – Guantánamo Bay Naval Base (GTMO), Cuba

Camp Justice was built to send one message: no one escapes judgment.

Located in the hostile isolation of Cuba's southeastern tip, Guantánamo Bay is untouchable—a fortress of fear for America's enemies. High-value detainees are brought here to face a judicial process that is as relentless as it is secretive. This isn't a courtroom; it's a battleground where justice is delivered with the precision of a drone strike.

Camp Justice ensures absolute control. Its remote location and fortified infrastructure guarantee that no external force, media circus, or legal loophole can interfere. Here, justice isn't blind—it's armed and dangerous. Recently this prison has been expanded to house an additional 25,000 due to the arrests being made and even after this, prison barges had to be brought in. Only a handful of professional reporters that signed an **NDA** have been permitted to cover the military tribunals and their reports will be broadcasted during the **EAS** and they will continue to provide detailed information on upcoming tribunals.

2. Camp Thunder Cove – Naval Support Facility, Diego Garcia, British Indian Ocean Territory Silent, Ruthless Efficient

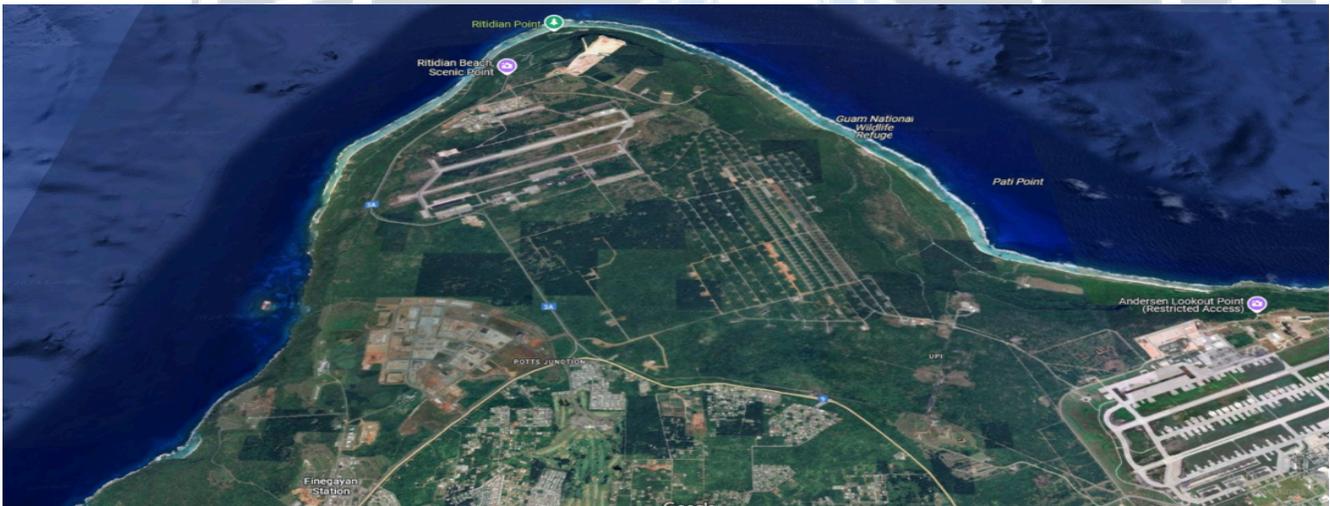

Strategically embedded in the Indian Ocean, this base is a center for operations targeting Asia, the Middle East, and beyond.

Diego Garcia is shrouded in secrecy, making Camp Thunder Cove the perfect site for clandestine tribunals. High-value targets vanish into this isolated outpost, where their fate is sealed far from prying eyes.

Tribunals are fast, decisive, and shielded from public scrutiny. This isn't a place where enemies are tried—it's where they're dismantled.

3. Camp Blaz: The Indo-Pacific Enforcer

Camp Blaz, located in Guam, isn't just a base—it's a sentinel standing guard over the Indo-Pacific. As tensions rise in Asia, this tribunal hub serves as a reminder that the United States' reach is unrelenting.

Guam's position in the Pacific makes it the perfect staging ground for prosecuting operatives from Asia and beyond. It's a warning shot to adversaries in the region: the U.S. sees everything, and no one is beyond its reach.

4. Ushuaia Naval Base: Justice at the Edge of the World

Strategic and Ruthless.

The Ushuaia Naval Base in Argentina isn't just another military outpost—it's the southernmost instrument of American power. Tucked away near Antarctica, this base ensures that even the remotest corners of the globe remain within the iron grip of military law.

Strategic and Ruthless. Tribunals conducted here are rare but impactful, sending a chilling message to enemies in South America and beyond. No matter how far they run, no matter how deep they hide, there's no escape from military justice.

- JAG Corps: The Architects of Military Justice

The Judge Advocate General's ([JAG](#)) Corps are the enforcers of this relentless system. These military lawyers navigate the murky waters of classified evidence, operational secrecy, and international law. Their role is not to debate morality—it's to ensure that military justice is executed without hesitation or error.

The JAG Corps operates with an ironclad mission: to protect national security by any means necessary. Their work underpins every tribunal, ensuring that each proceeding is a weaponized form of law.

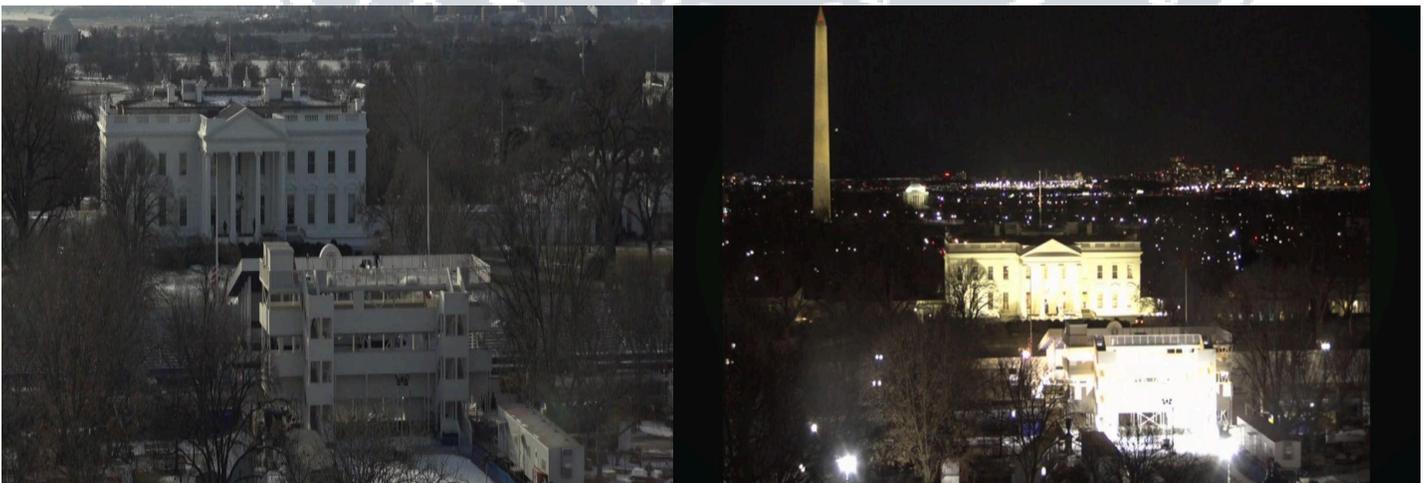

-Secrecy: The Shield and Sword

An Operation Cloaked in Shadows. Military tribunals thrive on secrecy. Every base, every trial, every ruling is shrouded in layers of classified operations.

This veil of mystery isn't a flaw—it's a feature. Secrecy ensures that enemies have no chance to manipulate the system or evade justice.

Credit to Author: Medeea Greere for the above 4 Military locations.

The reason for me showing the above four **MILITARY TRIBUNALS LOCATIONS** is that I am about to add a temporary **FIFTH LOCATION**. Some of you might have noticed structures being constructed in front of the Capitol, wondering what it could be. (**See images below**)

They are **GALLOWS**, just like in the old Western Days. It's Time to **LIVE STREAM** to the World

That "We the People" are now in **CONTROL** not the Government and these Nazi Holocaust **WAR CRIMINALS** are coming to **Light** and **JUSTICE** will be served. There's so much more to share and to explain, which will be shared in the **EAS** (Emergency Alert System) over a 10 period.

I need to address another very important matter to We the People. There is a group calling themselves The **Lincoln Project** using my family's photo of **Abraham Lincoln** for a cause to stop President Donald J. Trump calling him a Dictator. The majority of We the People voted fairly for a **LEADER**. The military is **NOT** in any way involved in **POLITICS** we just protect the security of We the People under God and follow the Military Law hand book.
